

User manual Sauna:

- Step 1: Switch the sauna on by placing the button on the side in the **I** position
- Step 2: Confirm your selection by pressing button 1.
- Step 3: The green light (in the red circle) stops flashing and lights up continuously. In the display, the letters AUFHEI are displayed as a sign that the sauna is warming up. After about an hour the sauna is ready for use.
- Step 4: Switch off the sauna by placing the button on the side in the **0** position.
